Board Philosophies and Objectives

The Board of Education, as the duly elected body representing the community, will comply with the laws of the U.S. and the State of Illinois in making final decisions of the district.

- The Board will give final approval to all educational programs of the district.
- The Board will determine the general policies for control, operations, maintenance, and improvement of the school buildings and grounds.
- The Board will employ qualified personnel to carry out the district's philosophy and objectives.
- The Board will review and evaluate the district's programs on a timely basis.
- The Board will strive to maintain communication channels with parents and community.
