2. Fees are reasonable and do not exceed the actual cost of operation.
3. Student body desires are considered.
4. The activity will be supervised by a school-approved sponsor.

Non-school sponsored student groups are governed by the District's policy on student use of school building.

Academic Criteria for Participation

For students in kindergarten through 8th grades: Selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Students must satisfy all academic standards and must comply with the activity's rules and the student conduct code.

For high school students: Selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Participation in co-curricular activities is dependent upon course selection and successful progress in those courses. In order to be eligible to participate in any school-sponsored or school-supported athletic or extracurricular activity, a student must pass a minimum of 7 courses. Any student-participant failing to meet these academic criteria shall be suspended from the activity for 7 calendar days or until the specified academic criteria are met, whichever is longer.
