

Community Relations

Public Complaints

The School Board is interested in receiving suggestions and concerns from members of the community. Any individual may make a suggestion or express a concern at any District or School office. All suggestions and/or concerns will be referred to the appropriate level staff member or District administrator who is most able to respond in a timely manner. Each concern or suggestion shall be considered on its merit.

An individual who is not satisfied may file a grievance under Board policy 2:260, *Uniform Grievance Procedure*. The Board encourages, but does not require, individuals to follow the channels of authority prior to filing a grievance. Neither this policy nor the *Uniform Grievance Procedure* creates an independent right to a hearing before the Board.
