

Monticello School District Google Apps for Education OPT-OUT Form

Monticello Schools are very excited to announce that we will be using Google Apps for Education in our classrooms. Google Apps for Education is a suite of free, web-based programs that include email, documents, spreadsheets, web page creator sites, calendars, and more. Google Apps for Education will allow our students to collaborate with teachers and other students within the Monticello School District. It will also allow access to documents and learning materials from any computer that has an Internet connection. District staff creates the accounts and has the ability to monitor and restrict usage if necessary.

Participation in this program is voluntary, but strongly encouraged. Communication and collaboration using the Google Apps toolset will become another learning avenue for students in the classroom. You do have the right to request that your child not be issued an account. Fill out the form below if you wish to opt out of this opportunity. **We would encourage you to discuss this option with your student's principal to better understand the impact of this decision before opting your child out of the Google Apps for Education program.**

ONLY FILL THIS OUT IF YOU DO NOT WANT YOUR CHILD
TO HAVE A GOOGLE APPS FOR EDUCATION ACCOUNT!!!!
