

General Personnel

Employee Insurance

The Board of Education carries Workers' Compensation Insurance for all employees who are injured while on duty. It is vitally important that all accidents to employees on the school premises be reported at once to the Office of the Superintendent. A detailed written report must be completed to file with the insurance company.

The Board of Education will pay that amount negotiated with the M.E.A per year for group insurance for all employees eligible. The employee's share is set each year on June 1.

The insurance consists of a \$50,000.00 life insurance policy for the employee and coverage for doctor and hospital bills.
